Subject: G-I Holdings Inc.'s Response to EPA's Request for Information - Follow-up

Krista, we represent G-I Holdings Inc. (“G-I”) and write in connection with G-I’s April 6, 2016 Responses and Objections (the “Response”) to the United States Environmental Protection Agency (the “EPA”)’s Request for Information (the “RFI”) concerning the LCP Chemicals, Inc. Superfund Site.

In Paragraph 12 of its Response, G-I requested permanent confidential treatment of 3 categories of documents being produced in connection with the RFI, including Addendums A and B to the Response. G-I writes to request that the EPA confirm that it has been treating, and will continue to treat, these documents as confidential.

Thank you very much for your attention to this matter and please don’t hesitate to give me a call if you have any questions or concerns.

All the best,

Sylvia
